I assist you with:

- Removing clutter and simplifying your life
- Bringing order and beauty to your living and work environments
- Developing a sense of sacred space in your everyday surroundings
- Ongoing support during life's many transitions (moving, loss of a loved one...)
- Selling your home by enhancing it's spaciousness and appeal

I also offer intuitive Feng Shui suggestions and flower essence remedies to support your transformation.

A few of the benefits:

- A sense of peace, clarity and renewal
- More time for yourself, family and loved ones
- Additional energy to manifest your dreams
- The enjoyment of living or working in a space that honors who you are

“Christine walks into a room and knows what needs to be done to transform any space into one of beauty and function. She is present, clear, has a gifted eye for detail and is so fun to work with.”
